

RUTAV ENGITRONIC SYSTEMS

Your lighting partner

Since 1998

250+ PRODUCTS

>80% REPEATED REVENUE

22+ YEARS COMPANY

300+ CUSTOMERS
(Distributor, Contractors, Lighting and Solar OEMs, Bulk buyers)

LED LIGHTING SOLUTIONS

We manufacture almost **all types of lights** which cater the following segments:

Residential lighting | Commercial Lighting | Industrial Lighting | Landscape Lighting

Street lighting | Sports Stadium lighting | Solar Lights | High Mast Lighting

Architectural Lighting | Façade Lighting | Building and Construction lighting

Tent House Lighting | Party Lawn Lighting | Smart Lighting | Customized Project based Lighting

2

YEARS WARRANTY

440V

OVER VOLTAGE PROTECTION

50,000 hrs

LIFE SPAN

>90 lm/W

LIGHT OUTPUT

SMART LIGHTING SOLUTIONS

Pioneer in the Remote Monitoring Solutions in India since **2005**.

GSM/Wi-Fi BASED WIRELESS MONITORING AND CONTROL (INDOOR AND OUTDOOR)

SOLAR PUMP MONITORING | ON GRID INVERTER MONITORING (SOLAR & ROOF TOP)

SMART STREET LIGHTING SOLUTIONS | SOLAR TRACKER BOARD

20+

VARIETES

5

YEARS WARRANTY

ABOUT US

RUTAV ENGITRONIC SYSTEMS was established in 1998, as a trading firm supplying an array of soft starters, and invertors. Later on set up a manufacturing facility at Gandhinagar and gained control over quality and ability to provide faster deliveries, and develop new products. Since then, continuously updating manufacturing facilities with most modern machines and QC equipment, has strengthened our design, development and manufacturing capabilities and competitiveness.

OUR VISION

Becoming your partner for all customized automation and lighting requirements by delivering industry leading quality standards products and services. Setting an example of good business practices with trust and leadership.

OUR MISSION

Established in 1998, Rutav is a home for customized automation electronic solutions. We believe in becoming long-time partner of our customers and giving them the best possible solutions we can provide in the industry we serve. We source our raw materials from majority of indigenous suppliers we know and partners we trust, supporting our communities, and creating meaningful relationships with those around us. We exist to create experiences where passion and purpose come together.

CLIENTS SAY

Rutav Engitronic Systems is not a provider. They are not a supplier. They are a partner with expertise in whichever products and services they offer.

Mr. Shyam Jadhav,
Director, Sans LED Power

Manufacturing Facility

We manufacture LED lights and raw material required for the manufacturing of LED lights.

We have In house manufacturing facility as following:

LED Driver Engine design and development setup

LED light production setup

- LED SMT Soldering line (Pick and Place machine)
- Light Assembly Line

Over 50% of our manufacturing processes are automated. Which gives superior quality, accuracy and finishing.

- **List of machinery for driver manufacturing :**

Transformer winding machine | Solder bath | Rework station | Power metre |

LCR metre for measurement of Inductance and continuity

- **SMT Soldering machinery setup**

SMT pick and place machine with speed up to 12000 cph

Table top SMT pick and place machine (up to 5000 cph)

Stencil Table | Re-flow oven with conveyor | Re-flow oven (Drawer type)

Re work station | Heater for rework | Magnifying glass for Quality check

Quality check station

- **Other instruments and testing setup:**

Dimmer | Voltmeter | Current measuring metre | Watt metre for continuous voltage range testing | Efficiency measuring metre | Power Factor measuring metre

And many other tools and devices used for routine work.

We maintain records of each and every product manufactured in our facility.

MOTION SENSOR
SMART LIGHTING

LED TUBE LIGHTS - REGULAR & MOTION SENSOR TYPE

Salient Features:

- High lumens LEDs used
- Up to 50% Energy Savings compared to conventional lighting
- Proudly made in India product
- Premium Finishing
- Highest quality standards
- LM80 certified
- BIS certified drivers
- Aesthetically designed products
- Long life of over 50,000 hours

Applications:

- Home
- Offices
- Passages and Corridors in complexes and buildings
- Parking area
- Showrooms
- Architectural lighting

Available in **Plastic & aluminum** up to **40W**.

CLEAN ROOM FITTING

Salient Features:

- High lumens LEDs used
- Up to 50% Energy Savings compared to conventional lighting
- Proudly made in India product
- Premium Finishing
- Highest quality standards
- LM80 certified
- BIS certified drivers
- Aesthetically designed products
- Long life of over 50,000 hours

Applications:

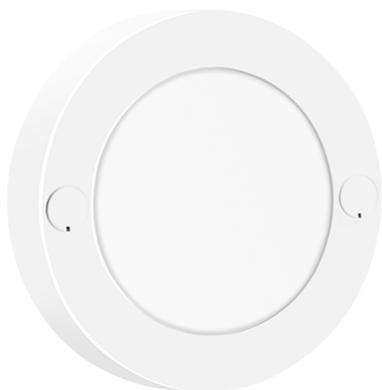

- Home
- Offices
- Passages and Corridors in complexes and buildings
- Parking area
- Showrooms
- Architectural lighting

LED FLEXIBLE STRIP LIGHT (WATERPROOF & REGULAR)

Salient Features:

- High lumens LEDs used
- Up to 50% Energy Savings compared to conventional lighting
- Proudly made in India product
- Premium Finishing
- Highest quality standards
- LM80 certified
- BIS certified drivers
- Aesthetically designed products
- Long life of over 50,000 hours

Applications:

- Home
- Offices
- Passages and Corridors in complexes and buildings
- Showrooms
- Architectural lighting

Specifications:

Available up to 100W.

Input Voltage: 230Vac

Input Frequency: 50 Hz

Shades available: Cool White, Neutral White, Warm White, Red, Green, Blue, Pink, Amber.

Available shades:

PROFILE LIGHT (WALL MOUNTED)

Salient Features:

- High lumens LEDs used
- Up to 50% Energy Savings compared to conventional lighting
- Proudly made in India product
- Premium Finishing
- Highest quality standards
- LM80 certified
- BIS certified drivers
- Aesthetically designed products
- Long life of over 50,000 hours

Applications:

- Home
- Offices
- Passages and Corridors in complexes and buildings
- Showrooms
- Architectural lighting

LENS MODEL

LED FLOOD LIGHTS (FINE THROW SERIES)

Salient Features:

- High lumens LEDs used
- Up to 50% Energy Savings compared to conventional lighting
- Proudly made in India product
- Premium Finishing
- Sturdy Design
- Better heat dissipation which increases over all life of light
- Highest quality standards
- LM80 certified
- BIS certified drivers
- Long life of over 50,000 hours

Applications:

- Industrial Shades
- Passages and Corridors in complexes and buildings
- Public Places e.g. Railway or Bus stations
- Tent houses and public occasions
- Parking area
- Showrooms
- Architectural lighting

LED UNDERWATER LIGHTS

Salient Features:

- High lumens LEDs used
- Up to 50% Energy Savings compared to conventional lighting
- Proudly made in India product
- Premium Finishing
- Highest quality standards
- LM80 certified
- BIS certified drivers
- Aesthetically designed products
- Long life of over 50,000 hours

Applications:

- Home
- Offices
- Passages and Corridors in complexes and buildings
- Parking area
- Showrooms
- Architectural lighting

Description:

These lights are used in landscapelighting, parks and gardens, passages.

Specifications:

Input power: 5w, 10W, 15W. Can be made up to 50W as per customized requirement.

Input Voltage: 230Vac

Input Frequency: 50 Hz

Power Factor: >=0.9

Shades available: Cool White, Neutral White, Warm White, Red, Green, Blue, Amber, Pink.

Available shades:

LED SEMI-INTEGRATED SOLAR STREET LIGHTS

Salient Features:

- High lumens LEDs used
- Up to 50% Energy Savings compared to conventional lighting
- Proudly made in India product
- Premium Finishing
- Polycarbonate lens available for better light distribution
- Highest quality standards
- LM80 certified
- BIS certified drivers
- Long life of over 50,000 hours

Applications:

- Public Places e.g. Railway or Bus stations
- Street lighting

IP65
